Authorization and Release of Health Information

By signing this Authorization, I authorize each of my physicians, pharmacies, other healthcare providers, and each of my health insurers to use and disclose health information related to my medical conditions and my use of Desmoda that identifies me personally, including my name, address, and telephone number(s) and information about my insurance, prescriptions, medical condition and health (my "Personal Information"), to Eton Pharmaceuticals, Inc., the manufacturer of Desmoda), its Eton Cares Patient Support Program, and their respective agents, contractors, and third-party vendors, including providers of alternate sources of funding for prescription drug costs (collectively, "the Program") so that the Program may: (1) help to verify, assist with, and coordinate insurance coverage or otherwise obtain payment for my treatment; (2) coordinate my receipt of, and payment for Desmoda; (3) conduct analytics to gain insight into and support the effectiveness of the Program; and (4) provide me with adherence reminders and support for Desmoda, including via email, text or other means of communication. I understand that once my Personal Information has been disclosed to the Program, state and federal privacy laws may no longer protect the Information and that it may be subject to further disclosure by the Program. I also understand that the Program intends to use and/or disclose my Personal Information only for the purposes described in this Authorization and that any results of the analytics will only be shared outside of the Program after being anonymized. I also understand, however, that if I do not sign this Authorization, the Program cannot provide me with assistance. This Authorization will remain in effect for five (5) years, unless I cancel my enrollment before then. I understand that I may revoke (cancel) this Authorization at any time by sending written notice to the Program at the address listed below. Upon receipt of my revocation, the Program will stop using and disclosing my Personal Information for the purposes described in this Authorization, except to the extent that the Program or others have already taken action in reliance on this Authorization. I understand that my revocation will not apply to information that has already been used or disclosed prior to the Program's receipt of my revocation, and will not affect my ability to receive treatment, although the Program may no longer be able to provide assistance to me after revocation. I understand that I am entitled to a copy of this Authorization after signing on the previous page.
